

REMO Regional Airway Course

Parts I and II in a single session

Tuesday, January 15th, 2008
5:00 – 11:00 PM
repeated on
Saturday, January 19th, 2008
10:00 AM – 4:00 PM

Clifton Park – Halfmoon Ambulance
15 Crossing Blvd – Clifton Park

A 6-hour classroom and skills session designed to satisfy the REMO Regional Airway requirement for ALS providers in the REMO Region. This course will provide participants with state-of-the-art information and hands-on experience that ensure effective and appropriate management of airway emergencies.

Instructor: Mike McEvoy

This program is eligible for REMO regionally approved CEU credit of 2.5 hours BLS and 3.5 hours ALS (total 6 hours). Certificates will be issued on site. This course is open to any BLS or ALS provider. Dinner will be provided.

Preregistration is required
